### Causes Much Disease

Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

Rexall Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three sizes, 25 cents, 50 cents and \$1.00.

Twenty members were present at the board of trade meeting last Friday night, when in addition to the routine business, such matters as the proposed boulevard to Fort Myers, the unfair treatment of Tampa in the change ordered in the United States customs service in Florida, the entertainment of the board of engineers and compiling of data for their information when inspecting our harbor next month and the matter of securing needed co-operation in the various undertakings for the benefit of Punta Gorda were taken up and acted upon. The board transacted considerable important business before the hour for adjournment arrived.

J. W. Davis, with characteristic enterprise, is adding new lines to his business. He is now carrying fresh meats, as well as staple and fancy groceries. Having recently moved into his own new iron building on Olympia avenue he is conveniently located for a large number of his patrons in that vicinity. See advertisement in this paper.

For the benefit of those who abhor printers' ink as a prime factor to the advancement of their interests, we should state that Samson—the strong party—was the first man to advertise. He took two solid columns to demonstrate his strength, and several thousand people 'tumbled' to the scheme. He brought down the house.—Ex.
